

staying safe in the pool

To keep all members safe, we stick to the following adult-to-child supervision ratios.

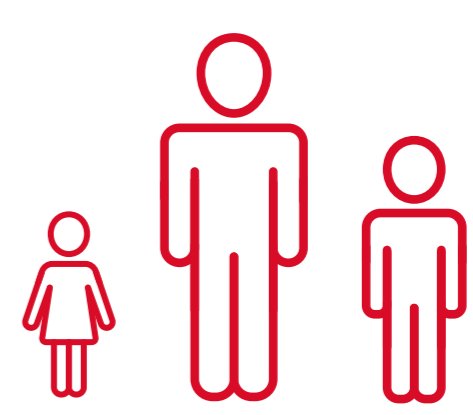

(Please bear in mind, we define an adult as anyone over 16).

1 adult + 1 child aged 0-3yrs

1 adult + 2 children aged 0-3yrs, wearing buoyancy aids

1 adult + 1 child aged 0-3yrs, wearing a buoyancy aid + 1 child aged 4-7yrs, wearing a buoyancy aid or has passed the Shark Test

1 adult + 1 child aged 4-7yrs

1 adult + 2 children aged 4-7yrs

1 adult + 3 children aged 4-7yrs, wearing a buoyancy aid or have passed the Shark Test

1 adult + 2 children aged 0-3yrs + 1 child aged 4-7yrs

1 adult + 1 child aged 0-3yrs + 2 children aged 4-7yrs

1 adult + 4 children aged 0-7yrs

Please speak to your lifeguard if you have any questions.

Note: These ratios follow guidance from the Health & Safety Executive (HSE).
