1.1

you can get a lot more for your membership at Virgin Active

There are 34 Virgin Active Clubs across the UK, meaning wherever you work, live or travel to, there may be a club in close proximity.

This guide sets out which other Virgin Active Health Clubs you can use. Please check with your club to make sure your membership offers multi-club access.

Multi access membership also give you access to our Global clubs including: South Africa, Italy, Australia, Singapore and Thailand.

Please speak to your club team for more information.

Towards the back of this guide, you'll find a list of all the facilities at each Virgin Active Health Club to help you plan your workouts wherever you go.

Please note: Club facilities and levels may be subject to change. Please always check this guide for the most up to date information.

1.2

checklist for your visits

Clubs you can access are organised according to price. You can access all clubs that are in the same price bracket as your own or below. To access clubs which are more expensive per month than your home club a guest fee will apply.

If you're planning to visit a club in the price bracket above the one you belong to check in advance how much that fee will be.

It's also worth bearing in mind that you can make bookings for classes, activities or PT sessions at other clubs as well as your home club.
