YOU CAN GET A LOT MORE FOR YOUR MEMBERSHIP AT VIRGIN ACTIVE

There are 43 Virgin Active Clubs across the UK, meaning wherever you work, live or travel to, there may be a club in close proximity.

This guide sets out which other Virgin Active Health Clubs you can use. Please check with your club to make sure your membership offers multi-club access.

Multi access membership also give you access to our Global clubs including: South Africa, Italy, Australia and Thailand. Please speak to your club team to get more information and receive your Global Passport for access overseas.

Towards the back of this guide, you'll find a list of all the facilities at each Virgin Active Health Club to help you plan your workouts wherever you go.

Please note: Club facilities and tiers may be subject to change. Please always check this guide for the most up to date multi-club access details.

1.2

WHICH CLUBS CAN YOU VISIT?

Our clubs are organised into tiers. The tier each club sits in depends on things such as the cost of membership and the facilities at that club.

The other clubs you have access to depends on the tier your home club is in and your membership package.

Your home club should be the one you use most. If you are using another club more than your home club, we will ask you to transfer your membership to that club.

On the following pages the clubs are displayed in their relevant tier and the multi-club access entitlements for those clubs are explained.

Some visits may require you to pay a member guest fee, but we've created a wide range of options so that you can fully experience everything that's on offer at Virgin Active. If you are on one of our racquets memberships, you have full access to tiers 1 to 2 included in your membership.

1.3

CHECKLIST FOR YOUR VISITS

Before you make a visit to a club other than your home club, it's best to check a couple of things in advance.

Check the following:

- That you have access to the club you intend to visit
- Opening hours
- Parking facilities
- Towel policy

It's also worth bearing in mind that you can make pre-bookings for classes, activities or PT sessions at other clubs as well as your home club.

And if you're planning to visit another club in a tier above the one you belong to, a guest fee will apply. It's best to check in advance how much that fee* is.

*Upper tier access is prohibited to Chiswick Riverside and Collection clubs
